Project

Member of the project team for the development of the final document called "City Agenda" as part of the project "WONDER-Child Friendly Destinations". The holder of the project is the Tourist Organization of Herceg Novi, which has hired the Faculty of Management of Herceg Novi to develop a document that represents the strategy of branding Child friendly with the logo of business entities and other stakeholders at the local level, as part of the project "WONDER-Child Friendly Destinations", that is funded European Union. The main objective of the project is to increase the attractiveness and competitiveness of destinations from the Adriatic-Ionian region through child-friendly and family concept, and support to sustainable tourism based on new, innovative methods. In the project, our team had the task of analyzing certain segments of the final reports for all 10 cities from the EU and the region that are participants of the project.
